WT-25C	WT-25CF	Octagon	2,090 x 1,930 x 800	2,450	27	700 x 1,000 x 400
WT-40C	WT-40CF	Decagon	2,590 x 2,460 x 800	3,900	35	700 x 1,000 x 500

### NOTE

- Use the water tank only for water.
- Adequate for drinking water if proper maintenance is done.
- Do not drag the tank regardless of whether water is filled.
- When you use non-inflated covered type outside, please place it under shelter or rain cover. Rainwater may be trapped on top of the tap and may cause breakage or leakage.
- Keep away from heat or fire.
